DeSign Tints Sparkle

DESCRIPTION

An economical calandered vinyl film that provides an alternative to sand blasted glass. Ideal for interior design work on internal glazed partitions to create images and provide privacy.

BENEFITS

- A very attractive decorative film with many uses .
- An excellent substitute for acid etched glass and can be computer cut to create exciting designs to make a show piece of any office situation .
- Company logos can also be cut and be incorporated into a feature wall or display window .
- Suitable for internal or external use of flat glass where privacy or a decorative look is required.
- This film is uniformly coloured and suitable for any glass size without colour mismatch.
