

# GLASS & STUFF. . . . .

## ENDLESS POSSIBILITIES

### BROUGHT TO YOU BY DESIGN TINTS

## DeSign Tints spreads its wings into the Pacific

Installation of 3M Ultra Security

Design Tints won a contract to supply and install Ultra Security Film and printed graphics for the ANZ Bank refurbishment in Port Vila, Vanuatu.

Design Tints worked closely with Fletcher Construction South Pacific through the tender process to have the security film specifications changed to include the 3M Ultra Security product.

The Design Tints team helped change the dull look of the Bank into a welcoming and vibrant new look with the peace of mind of Ultra Security.

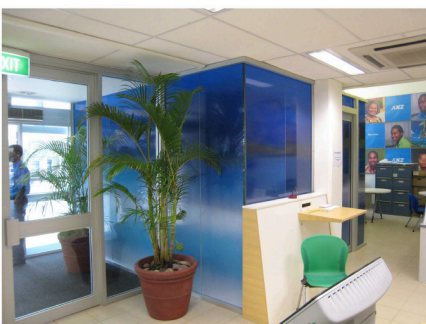

Installation of Graphic Films

Design Tints has the expertise and ability to bring your ideas and designs into reality whether it is in Downtown Auckland, Opotiki, Port Vila or anywhere.

Call us and see how we can make your designs happen.
